

Working Families Need the PAID Leave Act!

Action Alert!

All workers deserve to have paid leave! Adopting universal paid leave would help workers and their families and help combat the COVID-19 crisis.

It's time for Congress to pass S. 3513, the Providing Americans Insured Days of Leave Act (PAID Leave Act)! The PAID Leave Act closes loopholes in the Families First Coronavirus bill that left out millions of workers. The bill would guarantee emergency paid sick leave to all American workers and independent contractors during the coronavirus pandemic as well as ensuring that Americans can accrue up to seven paid sick days after the crisis is over.

Call your member of Congress today and ask them to support the PAID Leave Act! 1-855-980-2258
